

Volunteers: Monthly Newsletter

Thank you for all the support in July! The Twin Valley Food Pantry served 101 families (accounting for 478 people). We also had approximately 30 volunteers from across our community supporting the evening. We distributed approximately 9,000 pounds of food items – thanks to all the donors across the community for their financial contributions or for coordinating a food drive. Thank you all for the hundreds of volunteer hours each month making this important community mission possible.

Note: We can always use your help volunteering at the TVFP — please consider joining us next month.

The next distribution evening will be September 26th the 4th Tuesday of the Month.

SEE the END of the NEWSLETTER for our Distribution Schedule for 2023.
