

Volunteers: Monthly Newsletter

Thank you for all the support in November! The Twin Valley Food Pantry served 29 families - (accounting for 130 people). We also had approximately 25 volunteers from across our community supporting the evening. We distributed approximately 4,000 pounds of food items – thanks to all the donors across the community for their financial contributions or for coordinating a food drive. Thank you all for the hundreds of volunteer hours each month making this important community mission possible. *Note: We can always use your help volunteering at the TVFP — please consider joining us next month.*

Distribution Evening will be December 21st- 3rd Tuesday of the Month.
